

NEWSOURCE BY REQUEST

TAP INTO THE RICHEST VIDEO LIBRARY IN THE BUSINESS

Because CNN has the industry's largest video archive, you'll always have the pictures you need. CNN's library contains more than 3 million assets and 700,000+ hours of footage, with more added each day.

NewsSource by Request can help you distinguish your on-air and digital programming with exactly the footage you need to tell a powerful story.

- Order online at newssource.cnn.com or call **404.827.4636**
