WHY CNN NEWSOURCE DIGITAL?

Compelling content. Easy to use.
Revenue share.

1. Leading integrated, turnkey digital publishing solution.

CNN Newsource Digital delivers video, text, images, graphics and more from one easy-to-use source. Breaking news, viral content and powerful video curated specially for digital platforms that will help you draw repeat traffic to your sites.

2. Breadth of content.

You're the expert on your local news. Let CNN provide additional content to round out your offerings. We have the "news you need to have": CNN is the leading source for national and international coverage, and other popular categories such as money and consumer technology. And our focus on digital first storytelling means we are helping you engage younger audiences.

3. Reach a bigger audience with your content.

Grow your audience by syndicating your content through CNN's network of more than 1,100 affiliates. Not to mention the traffic boost you'll get if your story gets linked on CNN.com, the #1 news website and news social network in the world.

4. Money in your pocket.

Earn revenue two ways: as a content owner and as a publisher. Joining CNN Newsource's Video Affiliate Network (VAN) allows you to monetize your video content as a content owner across our 1,100+ affiliate network. Plus earn revenue as a publisher.

5. Digital expertise. Newsroom support. 24/7.

That is the power of working with CNN Newsource Digital. The CNN team is constantly curating content based on the latest social trends and audience analytics. Our real-time affiliate advisories and tweets help you stay on top of breaking news and quickly tap into CNN's knowledge on big trending stories. And beyond the stories and editorial support, CNN is constantly investing in cutting-edge tools and best practices in digital storytelling. As our affiliate, you benefit from having the power and reach of CNN as your extended team of editorial and digital experts.
