

GET THE FRESHEST CONTENT IN YOUR INBOX

“ CNN NewsSource
is like having a
whole other
newsroom at
our disposal. ”

As a CNN NewsSource client, you have access to ongoing alerts, advisories and content rundowns, so you can stay up to date with the latest broadcast-ready video, scripts and live shots. Dedicated CNN editors and regional teams 24-7 to help you stack your programs.

- Succinct, categorically organized content lists
- Images, top story highlights + trending content
- Item numbers + direct links to offerings in the CNN NewsSource portal – making it quicker and easier to find content that’s relevant to you
- Packages with free custom tags, available by 4 a.m.
- Personalized live shots with interactive technology—great for fully customizing and branding live shots
