

DC PRODUCTIONS

We are your Washington Bureau

Differentiate your local coverage of crucial daily, national events and deliver the story like no one else can.

Our DC team lends proven experience to help you cover the news that affects your audience, without the logistical challenges and high cost of doing it on your own.

CNN Newssource DC Productions is part of your team, facilitating your coverage, your way.

When you need a live interview with a member of Congress, DC news and events coverage, or a dynamic live shot location for your reporter – you need a savvy, affordable production partner who knows how to get things done.

Can't send your own team? Tap into our CNN Newssource DC correspondents who can help you report on major stories of the day.

Topics may include the national headlines, hot political stories or general breaking news in the Capital region. Newssource Correspondents' daily coverage may include the White House, Capitol Hill or headline-relevant locations.

Get cost-effective election coverage with Running Mate.

During election cycles, CNN Newssource offers RunningMate, a custom, market-exclusive live services that brings a dedicated team covering the heart of the most important races.

Your DC Correspondents

CNN Newsource DC Correspondents report for CNN's more than 1,000 news partners worldwide. They are available to help your planning and live productions flourish.

Our reporting teams are ready to help you engage live with national stories that impact local audiences. Government affairs, Presidential administrations and Congressional headlines are examples, to name a few.

NSDCproductions@cnn.com

Our responsive, flexible, deadline-focused production team handles your order from inception to delivery.

We can help you with:
