

# SPANISH

**Spanish-speaking audiences are one of the fastest growing markets, and CNN Newsource has the content you need to serve them.**

In addition to content focused on Spanish-speaking regions, CNN Newsource offers Spanish language content for all your platforms. We have you covered.

**To learn more:**

- Contact your CNN Newsource representative.
- Subscribe to daily editorial rundowns of LATAM stories, delivered to your inbox at 10a.m. and 7 p.m. ET, Monday through Friday.
- In the CNN Newsource site, filter stories using the Spanish and Latin America categories.
- See below to reach us directly.
