

CONTENT TRANSMISSION

Get the content you need—cheaper and faster.

CNN buys tons of transmission and, as a Newsource affiliate, you get access to our low rates. If you need satellite or fiber time, just call us or book directly online.

Satellite Service

- Access our low rates:
 - SD/MPEG-4 HD – \$5/min
 - 10MEG HD – \$8/min
- Easy one-stop booking and access services on SES2 and SES1
- Connect to VYVX and LTN terrestrial services
- Turnarounds of fiber to in-house satellite space with just one phone call
- SNG truck testing
